## RETROFIT PROGRAM

July 16, 2010

Dear Mr. Harriman:

Congratulations, Harrimans, Inc. has been approved for participation in the Get Energy Smart Retrofit program. By joining this program your company is demonstrating a commitment to building a more sustainable community.

As part of the Federal Government's Energy Efficiency and Conservation Block Grant (EECBG) Program, Sarasota County, the City of North Port and City of Sarasota are implementing this joint program to help homeowners save money and reduce our dependence on fossil fuels.

These are goals that will benefit your business and your community with economic vitality and reduced energy consumption. Together, we are building a better Sarasota County.

As a "Participating Contractor" in the Program, please keep in mind the Contractor Responsibilities and Program Participation Requirements that were included in the Agreement you signed. Your company information, as presented in your application, will be included on the Participating Contractor reference list to be posted on the Get Energy Smart Retrofit Program website when launched, later this summer.

Sincerely,

Lee Hayes Byron

Sustainability Manager
